

Congratulations!

Your Child/ren has been granted the opportunity to Join an Alliance of **community groups and organizations*** for a **Fortnite Party.**

What: Evening of Video Game competition and fun

Who: Youth ages 8-18 yrs of age ** (special accommodations on a case by case basis)

When: January 18, 2019 from **5pm -11pm**

Where: **Starfish Learning Center** - 1543 Howard St, Chicago, IL 60626

Why: Youth from all over love video games. Fortnite is the one they love. Caring organizations want to support and create an environment to foster community in Rogers Park. Also because sometimes parents need a break (**parents are welcome to attend**) and because there are really cool organizations looking to work together to make a better Rogers Park for our youth.

Next Steps: Please have your child/dren return a **completely filled out** and **signed** Invitation (permission slip) by parent or guardian to the Leader of the organization that invited them. **Space is limited** and entry is on a **first come first serve basis**. Light refreshments will be served. Must be able to pick your child/ren up by 11:15pm.
