IN YOUR HOMES  
ON YOUR BLOCK  
IN OUR CITY

We know, "As goes you, so goes the neighborhood." It matters if you have work. And it matters if the work you have pays a living wage. It matters that you make enough in an hour to have enough hours in your day to raise your kids, invest in yourself, and build a healthy community. You know that nobody can do this for you. All you need is an opportunity. That's where we come in . . .

*"I want to see families resurrecting out of poverty, owning their own homes and businesses, making disciples of their children, and becoming contributors to their community and to the local church. This is what it means for us as an organization to succeed. This is what it means for Chicago to succeed."*

## A L L I A N C E

### WHAT IS AN UPLINE?

- **UPLINES ARE TRAINED UP**  
Your commitment to being an Upline starts with a commitment to being trained by UR Chicago staff, veteran Uplines, and long-term members of the North of Howard Community.
- **UPLINES ARE PAIRED UP**  
After your training, you will be paired up with one of our Leaders at our weekend retreat and complete the TIP class together.
- **UPLINES POINT UP**  
Successful Uplines don't think people should be pulled up to their level. They stand beside them and point up to God's level.
- **UPLINES SHOW UP**  
Uplines commit to meet 1:1 with Leaders at least twice a month for a 15 month period.
